“ *It was with great sadness that I heard of Cleo's passing. I had an opportunity to work with him, and although we never actually met in person, it was obvious that he had great love for his family and children.*

“ My sincere sympathy to the Pizana family on the passing of Cleo. Cleo and I were co-workers for several years at EPA (AD). I will always remember his smile, laughter, energy, and his many talents especially singing at our special events within the office. I have always kept him in thought and prayer and now Cleo, rest in peace my friend.

“ My deepest sympathy to the Pizana family. Cleo took me on my one and only motorcycle ride. It was a thrill I will always remember. He was always very kind and supportive of me while I was at ACTCo. May you be comforted by the memories of joy and happiness Cleo leaves behind.

“ Dear Family of Cleo Reginal Pizana: We knew him as a member of one of our choirs (All God's Children) at Morning Star Baptist Church, Mattapan, MA. We encountered him a few year back when the MSBC was visiting Caanan Baptist Church in Baltimore, MD. We are very sad to know of his passing but glad we found this small bit of info on line. He will surely be missed. The Willie and Carmen Johnson Family of Hyde Park, MA.

“ So sorry you left this earthly place so soon, Reggie. So many memories and laughter still here. I remember Hiram/Joey telling me about a time he got a good whooping for letting you get too close to a tied up dog.  
I hope you are free now and watching down on your family.  
With love and respect.
