“ Dear Beverly and Henry,
My deepest expression of sympathy to the both of you. I reflect on the years at Mt. Sinai and thank God for the life of Lil Henry. You gave him all that God required you to do. He was always a blessing to everyone. A fighter, encourager and determined to never let anything get in his way because of his disability. My prayers is that God will continue to give you strength, peace and loving memories of the child he gave you. Now he is at peace and rest and never to have any more afflictions. God Bless the two of you.
