“ I will truly miss you, Godmother... I hold close in my heart all the fabulous memories of growing up in NJ and being w/ you during holiday family get-togethers and visits to you every week in South Philly when you were still w/ Uncle Morris. I will truly miss those times...and will keep a special place in my heart for you. I'm SO sorry I didn't make the time to come visit you after I retired from the Air Force. But I certainly hope to see you in Our Father's home, again, one day... I love you, Aunt Rachel.
